

ADVANCED CLINICAL SUPERVISION MASTERCLASS WORKSHOP 2018
Translating Professional Competencies into Client Outcomes
Course Curriculum

This Master class workshop is a bridging course to fulfil the PBA requirements of current Board approved supervisors in all areas of endorsement. It will explore recent changes to guidelines, forms, procedures and requirements in 4+2 and 5+1 pathways, higher degrees and endorsed pathways in a cutting edge evidence based interactive workshop aimed at delivering experiential learning based on 4 key principles.

Competence Based Supervision
Reflective Practice
Outcomes-Based Supervision
Deliberate Practice
